

PORT 15 UTAH

REIMBURSEMENT REQUEST FOR COMMON SITE WALL COSTS

Reimbursement Procedure and Criteria:

Upon purchase of a lot or lots in the Port 15 Utah Park, you are required by Article 19 of the CC&R's to have block site walls installed on your property. One-half of the costs of those block site wall(s) which share a common boundary with an adjoining Port 15 Utah Park lot may be reimbursed to you.

The following information is required to obtain said reimbursement for those costs associated with common site wall(s).

All site walls must be pre-approved by the Management prior to construction in order to obtain reimbursement.

Reimbursement will be provided only after the adjoining lot(s) are sold.

Enter the information required below and submit this form to the Management together with all receipts for materials and labor for the pre-approved common site walls. This information and receipts must be submitted within thirty (30) days of completion of the common site wall(s).
